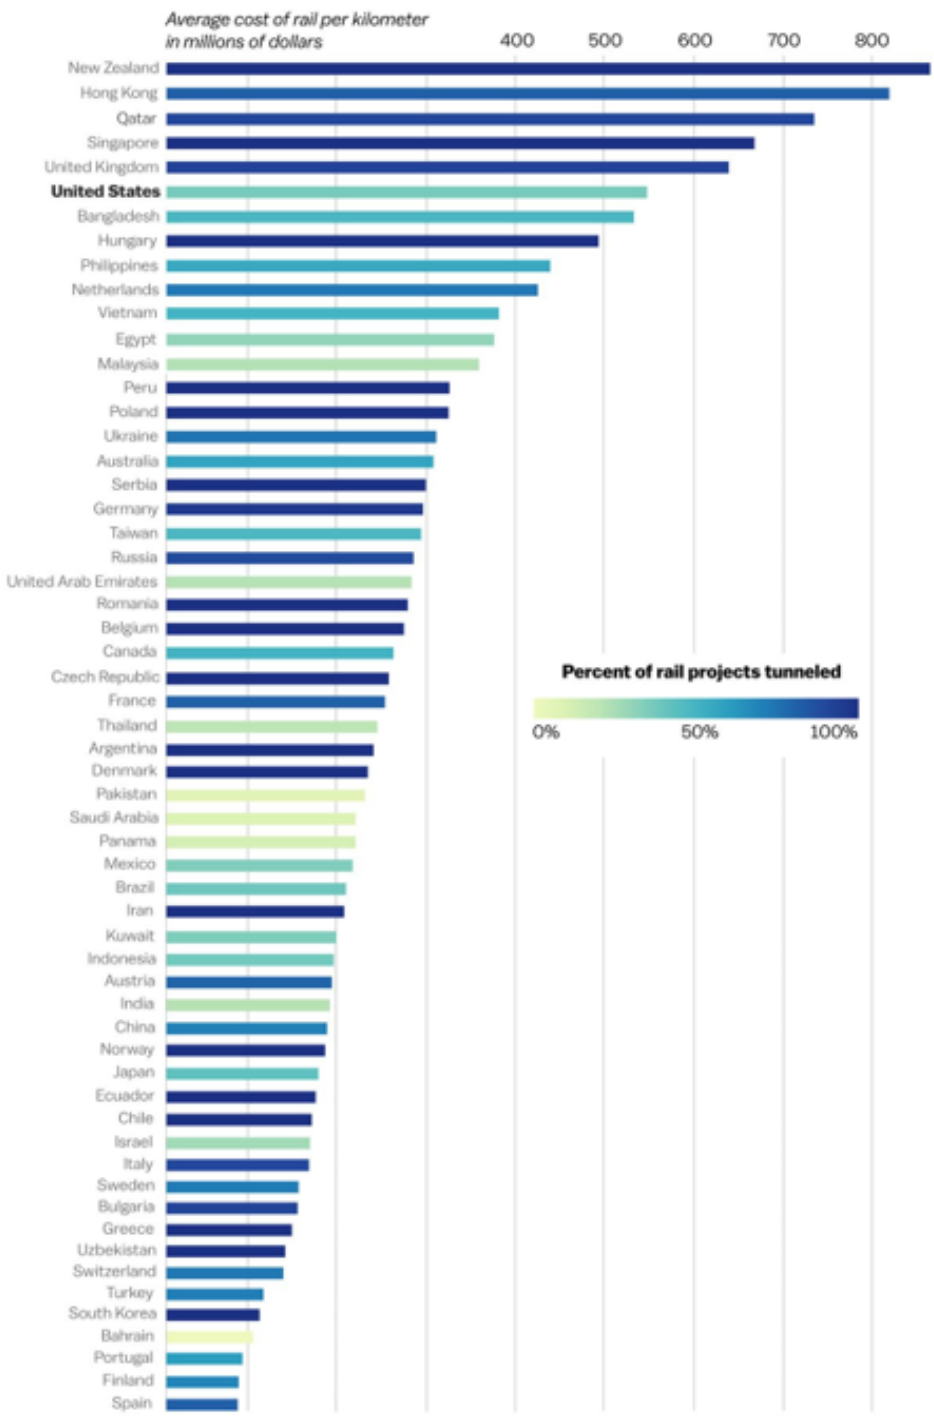
The High Cost of Rail Infrastructure



https://www.vox.com/22534714/rail-roads-infrastructure-costs-america

Gridlocked: These policies might put Biden's transmission infrastructure plans on hold

Biden wants to spend billions on electricity transmission — but current projects are stuck in red tape.

NEPA State Assignment Expansion Act & NEPA Accountability and Enforcement Act

- Allows Federal agencies delegating power in NEPA review authority to relevant state entities to carry out the NEPA review on the agency's behalf
- Requires Federal Agencies to complete the NEPA process in three years for proposed projects
- Requires agencies to approve or deny permits within 90 days of completion of the NEPA process

Spending Billions on

Charging Stations That Can't Get Timely Permits
